

**Derbyshire Motorhome Hire
Terms & Conditions 2018****Tel 0800 6444 199**

THESE TERMS AND CONDITIONS FORM A BINDING AGREEMENT BETWEEN DERBYSHIRE MOTORHOME HIRE and THE LEAD HIRER who is named on the Initial Contact Form and all other documents relating to the hire.

Derbyshire Motorhome Hire is also referred to as "DMH" "Us" "Our" and "Operator" throughout. Hirer is also referred to "Customer" "Client" and "You" throughout.

1. CONTRACT BETWEEN CUSTOMER AND OPERATOR

By using the website www.derbyshire-motorhome-hire.co.uk and by taking a hire vehicle belonging to Derbyshire Motorhome Hire you are accepting these terms and conditions. Please read this entire document thoroughly and carefully. If there is anything you do not understand or do not agree with please ask DMH.

2. BOOKING CONFIRMATION AND PAYMENT

A payment of £350 is required up front to confirm the booking or full price of holiday if total is less than £350; this is non-refundable and enters the hirer and the operator into a binding contract for the hire. The balance of your hire price is payable in full six weeks prior to day one of your hire, or at the time of booking if booked under six weeks from the start date of your hire. ACCEPTED PAYMENT METHODS: Preferred payment methods are credit/debit card, electronic bank transfer, personal cheque or building society cheque. If paying by cheque please ensure DMH receives it with sufficient time to clear ie no less than 5 working days prior to a payment date/deadline.

Any documentation you are requested to provide by DMH must be received by the deadlines requested or within two days of booking if less than six weeks from the start date of your hire. This includes your driving licence number, licence issue number and a check code from DVLA. Hirer is responsible for generating the DVLA check code from the DVLA website. Full instructions on how to obtain the check code can be found on our website and/or the DVLA website. Please telephone us if you need assistance with this so that we can guide you through it, as it is a strict requirement of the insurance company that this check be carried out, and we are not allowed to release the vehicle without it. Failure to provide full payment and documents as above will result in the booking being cancelled and the loss of any and all monies already paid. Drivers must be aged between 27 and 70 years of age and have held a full driving licence valid for the relevant vehicle for at least 2 years prior to the commencement of the hire. Drivers who passed their test after 1996 are restricted to the weight of motorhome they can drive, that being a maximum of 3500kg. All our motorhomes are within this weight. Drivers must be free of endorsements on their licence except for minor parking offences or speeding offences to a maximum of 3 points on their licence. If you and/or anyone applying to drive during the hire period has penalty points on your/their driving licence please tell us at the start of the booking process as some circumstances may mean an increased insurance fee and/or increased damages deposit. The price we quote for the hire will be for vehicle rental only, main driver insurance is £30 per hire,

additional drivers may be added for £30 per hire and also must produce the same ID documents and DVLA check code as main driver. Driver insurance is not holiday insurance.

Taking the motorhome abroad and to Scotland is not allowed.

3. CANCELLATION BY THE HIRER

All cancellations should be notified in writing to DMH. Please call DMH immediately to inform them as this will improve the chances of re-hiring and recovering any monies already paid.

PLEASE NOTE:

- If notification of your cancellation is received more than six weeks before the start date of your hire, you will be refunded in full less the initial deposit.
- If notification of your cancellation is received between 6 weeks and the start date of your hire, the total hire fee will be forfeited.

DMH will do all it can to re-hire the motorhome and if they are able to do so, you will be refunded up to a maximum of your total hire less your initial booking deposit, subject to the amount of time and money DMH is able to re-hire the motorhome for.

5. AVAILABILITY

Occasionally motorhomes are not available as agreed due to events beyond the motorhome operator's control (see point number 6). If your booking has to be cancelled (which DMH reserve the right to do) DMH will offer you the choice of an alternative, or, if no suitable replacement is available, provide a full refund.

6. EVENTS BEYOND OUR CONTROL

Events beyond our control occasionally affect bookings. When reference is made to such events in these Conditions of Hire, this means any event(s) or circumstance(s) which we could not, even with all due care, foresee or avoid. We cannot accept responsibility or pay any compensation, costs or expenses where the performance of your contract with the motorhome operator is prevented or affected or you otherwise suffer any loss or damage as a result of events beyond our control. This includes any delays to and/or restrictions to your hire to which you may be subject. However, if your booking has to be cancelled, we will of course offer you the choice of an alternative motorhome (if available) or refund as described above.

Extensive and methodical tests are carried out prior to each individual hire to ensure all systems are in working order at the start of the hire period. Should any item, including water, gas and electricity malfunction during the hire period this is beyond our control. There is a comprehensive user manual in the motorhome at all times to guide the hirer as well as free phone number and emergency telephone number supplied. We also publish informational videos on our website which can be viewed at all times, indeed hirers are encouraged to watch these prior to collection to assist in learning and a timely handover.

7. SUITABLE PERSONS

The motorhome operator has the right to refuse to hand over a motorhome to any person who, in the reasonable opinion of the motorhome operator, is not suitable to take charge. In such cases, all hire charges paid will be forfeited, and the motorhome operator has no further liability.

We do not usually allow same gender groups to hire our motorhomes, but some circumstances do permit therefore please telephone for a quote in the first instance if you wish to apply for a same gender group holiday.

place it in its account until the claim or dispute is settled. The amount for the repair/s or item/s will be kept by DMH with the balance of the deposit (if any) refunded to you. The damages deposit will be returned in full to the hirer if it is found that there is no damage to the vehicle upon completion of full inspection and subject to other penalties or pre agreed arrangements such as fuel refilling fee for example.

17. THE HIRE INSURANCE

The motorhome is insured for the period of the hire (except in the event of negligence see 12h). A copy of the insurance policy will be available in the hiring pack.
